WEST VIRGINIA BULLETIN NO: WV430-7-1

SUBJECT: Soil Geography

Purpose: To distribute copies of "Land Resource Regions and Major Land Resource Areas of the United States, the Caribbean, and the Pacific Basin" (Agricultural Handbook 296).

Expiration Date: After the contents are noted.

This publication replaces "Land Resource Regions and Major Land Resource Areas of the United States (Agricultural Handbook 296), revised December 1981. The new handbook describes 28 land resource regions and the physiography, geology, climate, water resources, soils, biological resources, and kinds of land use in 278 major land resource areas in the United States, the Caribbean, and the Pacific Basin.

This publication is also available on the Internet at the following address:
